General information

- When using air conditioning, close all windows and doors to the terrace.
- When leaving the apartment, make sure all windows, sunroof and terrace doors are closed. The reason is the possibility of sudden weather change.
- Take care to separate waste. Garbage bins for all types of waste are located about 50 m below the apartment.
- Bed linen and towels will be changed after a three days. We will arrange the date of exchange with you in advance by phone.
- Please do not bring any towels from the apartment to the beach.
